Info for TAA Eligible
NUMMI Employees

All Former NUMMI Employees and their Suppliers Are Eligible for Free Re-Training At Our Technical College!

We're here to help you make the transition into a new life with a new education. Did you know you are eligible for free re-training at our technical college?

The US Secretary and Federal Government has granted \$19 million in emergency grant money to help those affected by the NUMMI layoffs.

The grant money you will receive allows you to get free re-training at our school.

Please visit our website at www.taatraining.org to see how we can help.

In order to ensure you don't lose your training benefits, you MUST REGISTER WITH A TAA SPECIALIST OR VIA CASE MANAGER BEFORE OCTOBER 2ND, 2010 OR YOU LOSE YOUR TRAINING BENEFITS!

If you have not scheduled your first appointment with a TAA Specialist, please contact:
